6243	Vocational rehabilitation services	13	13,465	6,546	251

D Withheld to avoid disclosing data of individual companies.

1/ Pay period including March 12.

2/ The ambulatory health care services subsector includes industries that provide health care services directly or indirectly to ambulatory patients and do not usually provide inpatient services. Health practitioners provide outpatient services, with the facilities and equipment not usually being the most significant part of the production process.
